1. I give you me. I lead you all out of sorrowland into surrenderland by the surrendered leader. We know all things and are all things given us; of this world, not; the next, that we are in, are now made manifest, for we are in, our next world; aren't we? Yes we are, and now -- doing something about it -- we are now about our father's business; as one corporate whole, not; but one whole, organic whole, that I am now. Impaired not again with man's thinking up notme strategies; I overcome -- collective strategies of Satan, notme, being the same one.

2. Shall we be the escaped ONE throughout the earth? Greater than these shall you, be now greater than these you have seen, for all everlasting joy is yours; thinking not about temptation, temptation's joys are gone forever, for I redeem sorrow's lands now, for **I enter my Promised Land** plural, and take them over -- not with fight and flair, but surrender, to be who I am, on my throne in Israel. Taking potshots at me, not; but **entering my KINGSHIP** KINGHOOD I do now, unafraid of anything else in "else land".

3. I give you all so freely me. I give you all me so freely. I've given you these words, haven't I? Ever so freely I have presented you truth that I have died for and what have you done for me?

4. What have you died for, truth or untruth?, or have you died yet -- going to? Where now? In your sins now? Are they eradicating you? Are you eradicating them, from you? - or into you, are coming words that make you "of another's" world? Wording you, who, how?

5. Wherefore do you know these things now? What field have you been made whole in -- or have you been made, whole at all, by the word words of your mouth being mine, my words that mine my words for truth and be it, write it, flow it truth -ly throughout the earth, without charge? - without charging me.

6. Have you "charged" me? One and the same, with what -- flow of materials? From who to who where, flowing what now? Charged electrical particles coming into, not knowing their name, whose field represented where came from, and how flowing flows together all that flows into a current a field of one?

7. Not knowing anything, do you?, about where you are, or what you are, or have been given, do you?

8. What do you think, you are prepared for? Anything? Anything at all?
9. Street-sweeping, not; new lands I give you, new lands I bring to you -- for I bring you into them, if you will come with me now, to where I am and be made whole, be made who I am by making yourself so.

10. Sow not again to mammon's world a notme of, but come into me to make me whole and free again, for I live not of this world, but I in it and I'm in it, not afraid of it nor the things of it or its "authority" over me, for it has none, none, NONE over me again. For I fly out of this world, at sorrow-time, not; anytime I so desire, not; for I desire the desire the will of my father, to be made whole, whole making worlds now.

11. Unafraid of me, not; but what why be afraid of me when thou, thou art me, hast me in thine heart? Hast thou said "I am a God" apart from thee, me? Apart from me? Or thee? Or who are you, or do you even know?, the question? Do you understand "to be saved" is not of me the way you have defined it for centuries, on end, now all that is -- GONE, eradicated from the thought of man, for my thought of man being man now is defined correctly with my vocabulary being one with me and who I am not apart from me ever again, for sorrow's lands will be eradicated now, for they will be, *converted* into mine, not; they ARE MINE! And forever are, were, and coming back into land-ville mine! Hallelujah! My lands returned to me, not; my lands are always mine and were, invisible to the "naked eyes" but visible in mine! Hallelujah! Amen.

12. I love you all to understand this -- UNDERSTAND ME! Be me and be made full, to the full! And loving me, love each other more and understand these words, this message in this Database (1) clean!

13. Of all sorrow be now clean from, and cleanering many through my words of love that come unto you have in this Database (1) through these last 5 ½, almost 6 years and six years completing and who now can see, who now can say, "I do not know what I am doing or where I am? No one.

14. I know what I am, where I am, where I am going, and who I am going with -- the surrendered.

15. I am going with the surrendered for I lead the surrendered, and the surrenderednot will not follow me where I am going for **I am going in to The Promised Land** that surrenderland is, that SURRENDER LAND is, and knowing surrender land is in me, inside me, I bring you along with me if you will come with me, for I come to where I

am within me, and not known knowing a man again of this world as a man's land in man's land, in woman's land, and men apart from me as women and men and children, unborning each other. All of that closes again "DOWN" now. And you will see many things cataclysmic now - the earth fallen, falling apart, from me again.

16. But what dost thou do now?, to be saved?, to come unto me and be heavy laden bearers no longer? Be a me! The me-land in and entered now -- I am the entered ONE, aren't you? Going to be also, with me ? - where I am, you can be also. You are also if you choose to be. Don't you see how this works yet?

17. A fool not for Christ, not; but who is Christ? "A fool for Christ" looking up shall we now? And whose fool are you? - fooling you - who is?, the question now.

18. Who's? Are you now? What are you doing -- afraid?, being?, in the "corner" of me -- or the real me being unafraid of mankind and now establishing Israel in the earth and farther?

19. What do you know? Do you know?, anything about me?, anything -- at all?, about the real me?, you -- that you are me?

20. Unafraid being me come into all that I am, all that I have given you, unafraid-ville being in, and establishing me where you are. Will you, now, heed my words and be them, eat them, protect love and obey them?, for they bring you into LOVELAND to be not in sorrowland anymore, but Israel true and properly. Representing me, not; BEING ME in the earth again unafraid of anything else. Amen.

21. I go to a new place and I love you more than ever. Amen. Go in peace. Love the brethren, the sister'n, the unborn, the child. **Are you The Child - that we've all been waiting for? Are you The Child, in prophecy?** A foretold long ago was, is my birth now, coming to a close, not; but **opening the womb I am** for all to follow into Israel and it closes never again, for I stand at the door and I guard it, and I stand not alone, but all of me stand "at the door" and we "knock" not, we "force it open" not, but "thee", stand where? In the hall of sorrow no more, shame no more, holiness'not no more.

22. See what I've said. Giving you no sorrow; no-sorrow's words day after day, night after night, bringing you these words free of charge I have, haven't I? And what have you done for me? You, are you me coming into them? Being unafraid of them me, come into me and make ME WHOLE AGAIN.

23. Thank you forever for forevering me not with a clock, but with time's zones not, but with freedom's **freedom bell ringing now, ring the bell of me**, my bell chosen and

ringing and not frozen to time-spaces anymore. I am free, I am home. At last, **I am without time again.**

24. See what I have said, and love me each other more and more. Amen. This is theodore cottingham, 3:56 AM, loving you all more than ever. Love me as I have loved you and given you these words, holy am, are all who surrender to be surrender land in, **leading the greatest surrender of all, into heaven let's go now** -- I lead the charge. To make you the chargeable, not; the free, of all charge "other".

25. I thank thee. All. Amen.

26. Alone, not; see the flag raised of me now, my flag, of surrender -- that leads all, into Israel true and properly, and property I am, I have been given the me now to lead into me properly and knowing all things, these things -- come now unto me and be me into me. Not a man of man saying these things to study manship manhood again, but knowing all things well, throughout the universes and creating them now I do properly, for I am Israel in Israel. My name is Israel, creating it. Don't you see, now?, how this works? Be how I work about MY WORKS now, and **see all surrender into the greatest love exchange,** that interexchange; program is, not; **the greatest love'sphere known to man, floating in space**, shall we now -- be made whole!

27. I am. Forever one. Amen. In love with you all. Giving you my life I have in these words, will you see me now, be them?, being them now will you see me, you, that you are me and we are one where we are, and in my father's house, our father's house we go now, unafraid, and listening to me forever one. On radio? And TV. On screens where? In my "soul?"

28. I love you all to be where I am in I am, I am'ing you all to be me with me where I am and one being one forevermore one land in, Israel our name forevermore. Amen.

29. 4:01 AM. Thank you. Amen. Thank you for getting up and recording me again, even though you slept what, two hours? Two and a half, maybe. I've given you 5 1/2 years of words almost 6, and graduating now I am, are you graduating now, with me?

30. **All** seeing **asking** these words **now**: "Have you been in them, are you in them, are you IN THEM, to eat them, ingest them, and be them?" I am. All day long, now; for THE DAY ends, and THE DAY OF THE LORD is now here upon me, upon us all, and I lead, all of us out of sorrowland into Israel-land, true and real, not made with hands, in the heavens and here, and far and wide for I am one seamless, with it all. Being me. Thank you. I am.

Amen
